April 2017

Cheers to Jeers!

by Chaplain Adam Leeper

What a difference a week can make! Have you ever reflected upon the events of the last week of Jesus' life? Jesus descends the Mount of Olives and lining his path leading to the Eastern Gate of Jerusalem are throngs of people cheering, "Hosanna, Hosanna!" Many in the crowd believe Jesus is the Messiah, the Savior, who will free them from the oppression of the Roman Empire. In an act of political defiance the crowd waves palm branches, their national symbol before being conquered by Rome. It is Passover and thousands of people have poured into Jerusalem to celebrate their ancestors' deliverance from the Egyptians.

A perfect storm is brewing. The Jewish people are anticipating a Messiah leading a revolt. The Romans are bringing in reinforcements and preparing for armed conflict. Many religious leaders are hatching plans to avoid a confrontation with the Romans. The religious leaders identify Jesus as the source of the immediate problem. But what can they do? Thousands of people are cheering and calling him Messiah. Whatever they decide to do must be done very carefully and quickly.

Fearing the people and their support of Jesus, the leaders dispatch a large group of temple guards to arrest Jesus during the night. His best friends disappear into the darkness. The arrest is followed by a trial and a verdict of death. Unable to enforce that penalty themselves, they take Jesus to Pontius Pilate, the Roman Governor, and ask him to approve the execution. Pilate offers to free Jesus or a hardened criminal named Barabbas. Several people begin shouting, "Barabbas!" When it comes to Jesus' fate they chant, "Crucify Him!" Jesus is taken away and brutally whipped. He is then forced to carry the beam of his cross to the place of his execution. Once there he is nailed to the cross and raised up for public display.

How did it come to this? Thousands of people were cheering him and now they passively watch him going to his death. Could it be that when Jesus did not do what they desired, lead a revolt against the Romans, they believed they no longer needed him? Were they ready to move to something or someone else whom they believed would provide what they desired?

It was now Friday afternoon and Jesus' lifeless body was on the cross. In a few hours his body was wrapped, placed in a tomb, and sealed with a large stone and guarded by Roman soldiers. The Romans were satisfied, the religious leaders were relieved, and the people were ready to forget about Jesus. If a lot can happen in a week just see what happens in three days.

Jesus is alive, the tomb is empty, and the Savior has emerged. Jesus didn't come to free people from the Roman Empire. He came to free us from a far greater and more powerful oppressor than any political or social construct humankind can create. Jesus frees us from the death grip that our sin has upon us. Are you ready to experience what the Lord will do in your life this week?

As with most cats, “Billy Bob” is basically the boss and she likes to mainly eat and sleep, but Whrelda finds that she is wonderful company. “Billy Bob” is a good alarm clock ... she often lets Whrelda know when it’s time to get up in the morning. One thing that “Billy Bob” likes to do is to chew on Q-tips, even though she isn’t supposed to. Be sure to tune in to the in-house TV Ch. 956 (or Ch. 104 in the Health Care Centers) during the month of April to see a picture of “Billy Bob”! TREASURE CHEST THRIFT STORE

April showers.....often after a warm spring rain we see evidence of lots of new growth that has been dormant over the winter. We are glad to be out and about after the cold winter has kept us indoors for a number of months. While out for a walk, it would be a good time to stop by the Treasure Chest and see what spring items we have on display. A different door hanging may be just what you want to give your door “curb appeal”. A spring item for your wardrobe may be a good “picker upper”. The Spring Sale in April will be on the 13, 14 and 15 with all clothing 50% off! Come see us and pick up a bargain. Spring is also a good time to begin some assessment of closets and drawers. We welcome good saleable items at the Treasure Chest as a donation. Thanks to all who support our shop in your own way!

Resident Message Board

I live in Village Square, and I have written a novel which has been published by Xulon Christian Publishing Company, entitled "The Mysterious Wooded Glen" under the pen name of Diane O. It is the story of William Pitts who is the author of the well known hymn, "Church in the Wildwood." I grew up in the town of Nashua, Iowa where this church is located, and as a child I was always very fascinated with the church itself which is known throughout the world. As I matured over the years, I realized I had a story in my head regarding this church and author of the hymn so I decided to write it down on paper and submit it to a publishing company. The story of William Pitt's life is fiction, but the facts regarding how the church happened to be built are true. The novel, which is online as an e-book and hard copy, is available at Amazon.com, Barnes and Noble, as well as Xulon Publishing Company. I think many people will enjoy reading this story, and will come away with a faith that is even stronger.

- Diane Wright, Village Square Resident

GREEN TEAM NEWS

Bee health: At the March Green Team meeting we discussed spraying pesticides and the potential effects on bees. Kerry Weaver from Grounds explained that Menno Haven uses pesticides on an as-needed basis and avoids spraying directly on flowering plants. The main concern is the use of neonicotinoids, a pesticide that has been linked with bee colony collapses.

Paper conservation: Residents are reminded that when they have copies made by themselves, or by Menno Haven staff, always require that the copies be two-sided. And, staff members are reminded of the same!

Medications collection: The Green Team will try to arrange a medications collection in the coming months. Watch for an announcement. In the meantime, keep your medications in a safe place until we can collect them.

Did you know that appreciated stock makes a great gift and can benefit your Menno Haven community?

With the Dow Jones Industrial Average surpassing 20,000 for the first time in history, many stocks have seen double-digit increases over the past year. Your philanthropic interests may provide the perfect opportunity to maximize your gains. A gift of appreciated stock made to Menno Haven will achieve the following key objectives:

- Lock in the current value of your stocks by securing a tax deduction for their full amount
- Avoid the costly capital gains taxes that may be incurred upon personal sale of the stock
- Make an impact on your Menno Haven community

After consulting with your financial advisor, please contact Chuck Nelson at 262-1019 or chuck.nelson@mennohaven.org to let him know of your plans to make a stock transfer. Due to privacy laws, Menno Haven cannot determine the source of a transfer unless you notify us personally, and we certainly want to make sure that you are given the proper credit while directing your gift to the program you wish to support.

A home for our *Menno Haven Model Yacht Club* and the addition of a staircase and dock to *Reflection Lake* is on its way to becoming a reality! A building, located behind the Renaissance at *Chambers Pointe*, is being remodeled in order to house and maintain our fleet of remote control sailboats. Once complete, the building will resemble a classic boathouse and will not only allow the fleet to be stored, but will give our sailors a place where they can work on the boats or engage in other boatbuilding projects. Menno Haven has 8 remote control sailboats, all donated, so anyone with the necessary knowledge to sail one is able to do so. This project will also include the construction of a staircase leading to the water's edge and a dock. Adding a staircase and dock to *Reflection Lake* will give our sailboat enthusiasts, as well as our fishermen, a safe way to access the lake.

Future boathouse for the MHYC

The cost to complete the remodel of the building, construct a staircase and add a dock is approximately \$18,000. Please consider giving a donation to off-set the cost of these new amenities, knowing that they will be utilized and enjoyed for years to come.

Financial Solutions ... From People You Know.

April 2017

Springing Forward

As a provider of financial solutions, F&M Trust offers products and services that seek to enhance the ability of our community to have the best options and information for meeting their financial goals.

To this purpose, the Investment and Trust Services Department continually looks for ways to increase our offerings and give customers more tools to help with all aspects of their investments and financial planning. In looking at some events which could be used toward this goal, we are planning to have an **"Estate Planning Forum"** sometime in the **Spring or early Summer of 2017**. The format will be one in which there will be a panel of professionals, including an attorney, an accountant, and investment professionals from our Investment & Trust Services Department. They will present information to the group relating to current estate planning topics, after which they will host a question and answer period. This will allow us to get pertinent information out while also focusing on things that are of interest to residents. To make sure we truly address areas that are of interest, we are asking for your input as to any topics that you would like us to discuss in the information portion of the program.

If you have any ideas for topics to be covered, please contact any of our office staff or you may call our Investment & Trust Services Department directly at **(717) 261-3569**. There will be more information about the time and place for the event as soon as they become available.

ElderDay

HAPPY RETIREMENT VICKI!

Here we are with April finally upon us. Spring is in the air and my retirement is at the end of the month. It's hard for me to believe that after almost 30 years I will be leaving ElderDay. As I look at picture albums I'm reminded of all the people I have met through the years with smiles, laughter, enjoying picnics, reminiscing, field trips and many other fun activities. This is a heartwarming feeling that I leave knowing it's been a job that I will treasure. Through the years I have been able to bring my children, dogs and even grandchildren to help in the center. When I started here I was asked "what is my career goal?" My response was, "I have no career goals - I'm a mom with 2 little boys, wife, Cub Scout leader." And that seems like just a couple years ago when we were located in the front octagon of Walden with 10 clients attending each day. After several moves in Menno Haven to include downstairs where laundry and now therapy is located, we moved to Chambers Pointe about 12 years ago & now average 25 clients a day. All I can say is this has been a wonderful journey working with the families and team throughout the years. I will miss seeing everyone. In May, we are going to Hawaii to celebrate our 45th anniversary, so already the calendar is getting filled in. I truly believe in change and embracing the idea of person-centered care that is evolving. I want to thank everyone for your hugs and words of encouragement as I travel this new road. And as one special person said, "Thanks for the Memories". - Vicki
